

Corporate Governance Report

The Company is committed to meeting statutory and regulatory standards and adherence to the principles of corporate governance emphasizing transparency, independence, accountability, responsibility and fairness. The Board and the Senior Management of the Company ensure that effective self-regulatory practices exist to protect the interests of the shareholders of the Group.

The Company has applied the principles of the code provisions under the Code on Corporate Governance Practices (the "Code") contained in Appendix 14 of the Rules Governing the Listing of Securities on The Stock Exchange (the "Listing Rules") throughout the year ended 31st March, 2007, except for the deviations from the code provisions A1.1, A.4.1 and A.4.2 of the Code described below.

Under code provision A.1.1 of the Code, the Board should meet regularly and Board meeting should be held at least four times a year at approximately quarterly intervals. However, only two Board meetings had been held during the year since each Director is travelling too heavily to uphold this requirement. In view of good corporate governance practices, the Board will meet regularly and hold at least four Board meetings in the forthcoming year.

Under code provision A.4.1 of the Code, Non-executive Directors should be appointed for a specific term and subject to re-election. The Non-executive Directors of the Company are not appointed for a specific term of office. However, the Non-executive Directors of the Company are subject to retirement by rotation and re-election at annual general meetings in accordance with the Company's Articles of Association.

Under the second part of code provision A.4.2 of the Code, every Director, including those appointed for a specific term should be subject to retirement by rotation at least once every three years. The Chairman of the Company, however, is not subject to retirement by rotation. In accordance with the second part of Article 115(B) of the Articles of Association of the Company, a Director appointed as an Executive Chairman or as Managing Director or Joint Managing Director shall not while holding such office be subject to retirement by rotation or taken into account in determining the rotation retirement of Directors. In view of good corporate governance practices, the Executive Chairman voluntarily retires from his office and offers himself for re-election at the last annual general meeting of the Company notwithstanding that he is not required to do so by the Company's Article 115(B). As such, the Company considers that sufficient measures have been taken to ensure that the Company's corporate governance practices are no less exacting than those in the Code.
