## CORPORATE GOVERNANCE PRACTICES OF THE COMPANY

The Company recognizes the importance of maintaining good corporate governance practices. The Board sets policies and implements corporate governance practices appropriate to the conduct of the Group's business.

The Company has applied the principles as set out in the CG Code. In the opinion of the Board, the Company has complied with the code provisions (the "Code Provisions") set out in the CG Code during the year ended 31 March 2017, except for the deviations from Code Provisions A.2.1 and E.1.2. Key corporate governance principles and practices of the Company as well as details of the foregoing deviations of Code Provisions are summarized below.

## A. THE BOARD

### A.1 Responsibilities and Delegation

The Board is responsible for the management and control of the business and affairs of the Group, and oversees the Group's business strategic direction and performance, with the objectives of promoting the success of the Group and enhancing Shareholder value. Directors carry out their duties in good faith and in the interests of the Company and its Shareholders. They have access to relevant information as well as the advice and services of the Company Secretary and senior management. They are also able to seek independent professional advice in appropriate circumstances at the Company's expense, upon reasonable request made to the Board.

The Board reserves for its decision on all major policy, strategy, financial and risk management and control matters. The day-to-day management, administration and operations of the Group are delegated to the Executive Committee and senior management. The delegated functions and responsibilities are periodically reviewed. Approval has to be obtained from the Board or Executive Committee prior to any significant transactions entered into by the senior management team.

### A.2 Board Composition

The Board currently comprises eight Directors, four are Executive Directors, one Non-executive Director, and three are Independent Non-executive Directors. The composition of the Board is set out in the "Corporate Information" section of this annual report. The respective profiles of the current Directors and the relationship among them are disclosed in the "Profile of Directors and Senior Management" section of this annual report.

The list of directors (by category) is also disclosed in all corporate communications issued by the Company from time to time pursuant to the Listing Rules. The Independent Non-executive Directors are expressly identified in all corporate communications of the Company.

Throughout the year ended 31 March 2017, the Company has met the Listing Rules requirements of having three Independent Non-executive Directors (representing at least one-third of the Board) with one of them possessing appropriate professional qualifications and accounting and related financial management expertise. In addition, the Company has received from each of the three Independent Non-executive Directors an annual written confirmation of independence pursuant to Rule 3.13 of the Listing Rules. The Company considers all of them are independent.

## CORPORATE GOVERNANCE REPORT

The composition of the Board reflects the necessary balance of skills and experience appropriate to the requirements of the business of the Group and to the exercising of independent judgement. All Directors bring a wide range of valuable business and financial expertise, experiences and professionalism to the Board for its effective functioning. Independent Non-executive Directors are invited to serve on the Audit, Remuneration and Nomination Committees of the Company.

### A.3 Chairman and Chief Executive Officer

Code Provision A.2.1 stipulates that the roles of chairman and chief executive should be separate and should not be performed by the same individual.

Currently, Tan Sri Dato' David CHIU assumes the roles of both the Chairman and Chief Executive Officer of the Company. The Board believes that this structure provides the Group with strong and consistent leadership and allows for more effective and efficient business planning and decisions as well as execution of long term business strategies. As such, it is beneficial to the business prospects of the Group.

The Board also considers that the current structure of vesting the roles of Chairman and Chief Executive Officer in the same person will not impair the balance of power and authority between the Board and the management of the Company.

### A.4 Appointment, Re-Election and Removal of Directors

The procedures and process of appointment, re-election and removal of Directors are laid down in the Articles.

Each Director, including the Independent Non-executive Directors, is engaged for a term of 3 years, except Mr. Chi Hing CHAN (Non-executive Director) is engaged for a term of 2 years, subject to renewal upon expiry of the term. They are also subject to re-election in accordance with the Articles.

In accordance with the second part of clause 115(B) of the Articles, a Director appointed as an Executive Chairman or as Managing Director or Joint Managing Director shall not while holding such office be subject to retirement by rotation or taken into account in determining the rotation retirement of Directors. In order to uphold good corporate governance practices, Mr. Cheong Thard HOONG, the Managing Director of the Company, voluntarily retires from his office and offers himself for re-election at the 2017 AGM notwithstanding that he is not required to do so by clause 115(B) of the Articles.

The Board recommended the re-appointment of the above three retiring Directors standing for re-election at the 2017 AGM. The Company's circular, sent together with this annual report, contains detailed information of the above three retiring Directors, as required by the Listing Rules.

The Board and each Director also have separate and independent access to the senior management whenever necessary.

The Chief Financial Officer and Company Secretary and other relevant senior management normally attend regular Board meetings and, where necessary, other Board meetings to advise on business developments, financial and accounting matters, statutory compliance, corporate governance and other major aspects of the Group.
