### FEC (35.HK) Awarded “Caring Company Logo ” at Caring Company Partnership Expo 2019

(20 May, 2019- Hong Kong) Far East Consortium International Limited (“FEC” or the “Group”; SEHK: 35) is pleased to announce that it has been awarded the “Caring Company Logo” by The Hong Kong Council of Social Service, in recognition of FEC’s commitment to the community, its employees and the environment over the past years.

The Caring Company Scheme organised by The Hong Kong Council of Social Service aims to foster strategic partnerships between the business and social services sectors to promote good corporate citizenship and create a more inclusive society. The scheme also helps corporations and social services organisations to know and understand each other at a much deeper level. This will create more room for working together to develop cross-sector community projects that focus on the needs of the community.

On being awarded the “Caring Company Logo”, **Mr. Chris HOONG, Managing Director of FEC** said: “We are very glad that FEC was awarded this award, which reflects our continuous commitment to undertaking corporate social responsibilities as well as our strenuous effort to build a sustainable society. Looking forward, the Group will endeavour to pursue excellence in all aspects in order to develop a greater diversity of business activities to serve our community.”
