FEC Unveils Brand-New Corporate Website

(31 October 2019, Hong Kong) Far East Consortium International Limited (“FEC” or the “Group”; SEHK: 35) is pleased to announce the launch of the Group’s Brand-New Corporate Website at www.fecil.com.hk, providing the latest information of the Group.

The new website follows the Group's international corporate identity, which symbolizes the rapid development of FEC’s global business. The new website has also added a variety of trendy elements and web design. The Group will continue to provide its latest business development in the new website including video banner on the homepage, photo gallery and video gallery in all regions over the world.

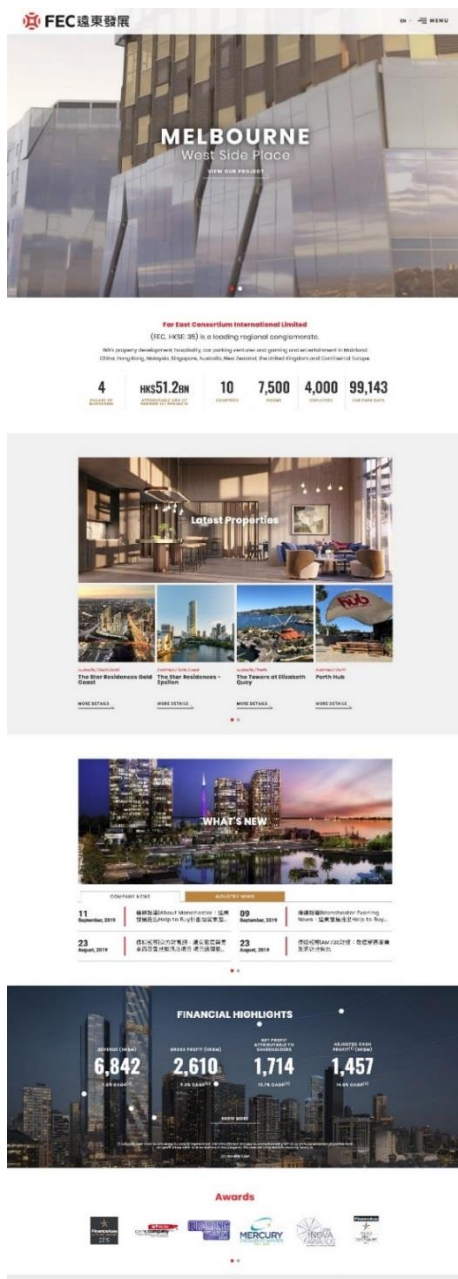

The responsive website design is used on the new website to facilitate web surfing with different electronic devices (including iPhone and Android) and tablet computers. The new website can detect the device used and display appropriate size and content automatically for the best web page rendering and browsing experience.

The new website will contain a number of sections including Our Business (including Property, Hotels, Gaming, Car Park and Mortgage), Investor Relations (including Financial Highlights, Financial Calendar and Financial Reports), and Media Centre which provide stakeholders with a wide range of latest content and information. To increase transparency of the Group, the website has also added Environmental, Social and Governance (ESG) and Corporate Governance section for investors to read relevant reports and keep abreast of the Group's latest developments.

In addition to informative content, the website also includes instant sharing function (e.g. Facebook, WhatsApp, WeChat, Twitter and LinkedIn). Through this sharing function, it strengthens the relationship between stakeholders and the Group and increases the click rate of the users, which ultimately increases the website traffic.

Mr. Chris Hoong, Managing Director of FEC, said: “FEC has always been committed to the creation of new value. Our Brand-New Corporate Website is an important communication tool with all investors and stakeholders. Specifically, in the innovation landscape, the Group will continue to provide our stakeholders with inspiring, timely and latest corporate information through this platform.”
